

Tired of the crowds at the massive “big box” gym? Are you looking for a fresh, local, family-oriented, luxurious **club** that has it all? You’ve found it!

Most of The Sports Club of Novi members and employees have been here for **more than 10 years**. Why?

The Sports Club of Novi has **more classes** per member, **more spinning bikes** per member, **all-new fitness equipment**, **free babysitting\***, an amazing yoga studio, an outdoor workout area, a **full-service swim club** with space to relax, and hundreds of award-winning sports programs taught by certified full-time professionals. Group Training 100 provides every format under one roof. Cycling, Cardio Boxing, Boot Camps with Queenax, Meta Cardio formats, Zumba, Aqua, Yoga with Infrared Heat, Barre and much more!

Maybe the biggest reason is an owner and management team in the club every single day, to **meet and listen to you**.

Stop in, and you will enjoy a relaxing tour experience. No pressure to take personal training. No administration fees to get started. No 30-day cancellation game. Just **real service the moment you arrive**.
