Every child must be signed in and out of the Kids' Center by the same person. A child will be released from the Kids' Center only to the person listed on the sign in/out sheet unless arrangements have been made and another adult has been approved to take the child out.

24 Hour **Advance reservations are required for children under the age of **12 months** in order to provide adequate staffing and safety for all children. Please call 248-735-8850 ext.120 to let us know your child is coming.

Snack (chips, pretzels, cheese crackers, dry cereal, cookies, etc.) and drinks (No glass bottles or colored fruit drinks) are permitted for the children. Please do not send anything that could be a choking hazard. Please remember that NO PEANUT products and NO GUM are allowed. Please make our staff aware of any allergies your child may have.

Bottles for infants must be prepared in advance and we will give them their bottles as needed. We do not feed baby food. A refrigerator is available for your use. All bottles & diaper bags must have your child's name on them.

Socks must be worn while in the Kids' Center. No bare feet or street shoes. Please label all your child's belongings: jackets, drinks, snacks, sippy cups, etc.

Any child who is in the process of Potty Training must be wearing a Pull-up (1 month without incident).

If a child is brought into the Kids' Center sick or develops symptoms while in the Kids' Center parents will be notified to come and take their child home. Please do not bring any children that were too sick to attend school.

If your child is extremely fussy or crying for at least 10 minutes requiring more care than the staff can provide without compromising the health and safety of the other children in the Kids' Center you will be notified to come and console your child or take them out with you.

THANK YOU for your cooperation in creating a fun and safe environment for your children.
