Level Definitions

1.0-1.5 Players – New player. Has no or limited tennis experience and is still working on primarily getting the ball in play when delivered from the tennis professional (former Beginner level).

2.0 Player – Has some experience playing tennis but needs instruction to begin to improve. Fairly consistent getting a ball in play when delivered from the tennis professional in a drill situation. Starting to learn the serve (former Beginner to Adv. Beginner level).

2.5 Player – Player can sustain a slow rally with other players of the same ability. Can get half of their serves in play and begin to play singles and doubles points against other players (former Adv. Beginner to Intermediate level).

2.75 – 3.0 Players – Fairly consistent with medium paced shots but is not comfortable with all the strokes. Has experience at competition and scoring. Starting to direct shots to specific areas of the court and cover the court during singles play (former Intermediate level).
