PROGRAMS OFFERED

MDC Recital: Runs from September to May and culminates with an end of the year performance in May.

MDC Company: Members in our companies study many forms of dance. They attend workshops, competitions, and have extra performance opportunities. By invitation only - if interested, please contact the director.

DANCE ATTIRE

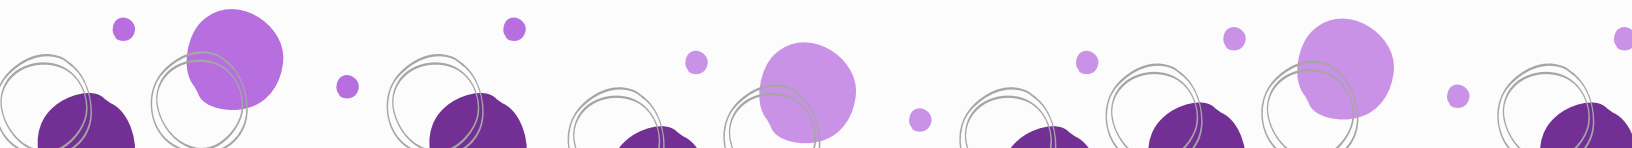

Proper dance attire is important in the development of the dancer. Please refer to our dance attire and shoe requirements if you have any questions. Dance shoes need to fit properly for the dancer to be able to perform. Please do not allow too much room for growth.

PHILOSOPHY

We at Metropolitan DanCentre provide quality dance instruction emphasizing positive self esteem, individual attention, and correct technique in an environment that is caring, inspiring, and fun.

STAFF

We are proud of our professionally trained teachers who love teaching the art of dance to your children in a positive, supportive environment.

STUDIO POLICIES & INFORMATION

- Regular attendance is extremely important in the development of your child's dance abilities. We appreciate your cooperation in keeping absences to a minimum.
- The blinds will be open per teacher discretion. Please do not tap or knock on the window. We also appreciate you keeping younger children away from the door, as the noise is distracting to the students.
- Please make sure your child arrives on time and has gone to the bathroom before class begins.
- Please remember to label the inside of your child's dance shoes and other items.
- Important information will be conveyed to you periodically through emails. If you are not receiving emails or need to update your email address, please contact the programming department at 248-735-8850 ext 112.
- There will be a non-refundable costume payment put on your house account in December.
- There are no refunds for missed classes. Make-up lessons may be available if another like class is offered and not at capacity. Please check with your instructor or the dance director before attending another class.
