

Sports Club Members:

I want to first thank you for the support many of you have expressed to me and our staff as we have tried to navigate this crazy situation.

I strongly believe every individual and every small business has an obligation to help slow down the spread of Covid-19. After careful research, I think the best way I can contribute to this daunting task is to close The Sports Club of Novi.

Effective 12:00 noon, Monday, March 16th, the club will temporarily close its doors. This is the hardest decision I have ever made in my 40 year working career and it's a decision that will affect all of you who are still active at the club.

However, if it relieves the brutal pressure coming to our health care system in Southeastern Michigan and saves one life, it was the right decision.

I will be communicating with all of you in the next week concerning individual services that have been purchased as well as membership dues.

**To receive current information, PLEASE call the club and make sure your email address is current.**

We will be answering phones Monday-Friday from 10:00 am - 2:00 pm while we are temporarily closed.

Stay home and stay safe.

Mark
